September 2020

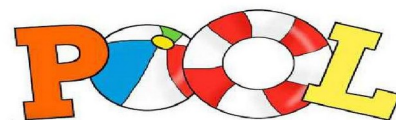

Annual Meeting & Election

The Park Paseo Annual Meeting & Election is scheduled to be held on **Tuesday, November 10, 2020**. Request for Candidate forms have been sent out to all homeowners. If you are considering running for a position on the Board of Directors, please consider the following: Primary Board responsibilities include making decisions for the Association that preserve and protect the value of our homes; reviewing and selecting vendor services; helping to resolve homeowner issues; and monitoring the Association costs and budgets. If you are interested in serving on the Board or if you would like further information regarding Board Member responsibilities, please contact our PCM Community Manager, Lynn Wyatt. Consider volunteering your time and talents for the benefit of our community! In addition, Ballots will be sent to all homeowners to be completed in October. Once received, take a few moments to complete the Ballot and return it in the envelope provided. The Board of Directors strongly urges ALL homeowners to vote! However, if you are not comfortable voting for a particular candidate, simply mark the "For Quorum Purposes Only" box, sign and return the ballot so it can be counted toward quorum. In the past, the Association has not received enough ballots to achieve quorum. When this occurs the Association is required to hold a reconvened Annual Meeting. Please note that this costs the Association money and additional work each year.

Please help the Association achieve a successful Annual Meeting and reduce Association costs by sending in your ballot by the date requested.
THANK YOU!

Clubhouse Pool Deck Project

As reported last month, the Prosa Pool Project is completed and it turned out beautifully. Both community pools are open through September. Please enjoy our pool facilities while maintaining physical distancing, etc. Please refer to the Pool Reopening Rules. The Clubhouse Pool & Spa will be closing October 1st and the Deck Remodel Project will begin. The Clubhouse Pool Deck Project will take approximately five months to complete. The entire pool area will be closed and off limits to all residents. The tennis courts will remain open, for now. The Board is trying to determine a way to keep the tennis courts open during the project. We appreciate your cooperation during this time. Please contact the onsite office if you have questions or concerns.

Our pools are open through
September 30, 2020... ENJOY!

Zero Lot Lines

The Association often receives questions regarding the zero lot lines/easements in the community. Oftentimes homeowners say “they didn’t know about the easement”. Please note that this information was given to all homeowners in our CC&Rs, “Section 3, Sideyard Easements” upon purchasing your home in Park Paseo. The sketch below (from our CC&Rs) indicates the location of the 5' side yard easement and the designation of dominant and servient tenements and property line. All other measurements, figures, and references are purely for illustrative purposes and do not necessarily represent actual measurements and actual data pertaining to the real property. Please keep in mind that it is each homeowner’s responsibility to be familiar with the Association’s CC&Rs and Rules & Regulations. If you have any questions please email parkpaseohoa@gmail.com.

Please bring box tops to the onsite office to support Santiago Hills Elementary School program funding! KEEP 'EM COMING!

Our Dog Waste Stations

The dog waste bag stations in our community are for the use of all Park Paseo pet owners. However, it has been reported that some dog owners are “stocking up” on the waste bags, not leaving enough bags for other residents. Ultimately, dog owners are responsible to provide their own dog waste bags. The waste stations have been installed in our community as a courtesy and are for your use if you have forgotten to bring a waste bag for your dog. When using the Association’s dog waste bags, please only use as many as are needed for your walk to ensure there are plenty of bags on hand for all Park Paseo pet owners. Thank you for being a responsible pet owner and courteous neighbor.

Trash Pickup Day Is Monday

A reminder to all homeowners that trash cans are not to be left out more than 24 hours total. Please put your cans out Sunday night at the earliest, and put them away, out of sight, once the pickup has occurred, or Monday evening at the latest. Please try to avoid rolling trash cans out in the morning hours as this may awaken your surrounding neighbors. If you are going to be out of town on trash pickup day, please ask a neighbor to help you out. In addition, be sure that trash receptacles are closed securely to prevent critters from getting in, and trash from falling out and being blown throughout the community. Thank you for doing your part to keep our community looking its best.

Please Trim Your Bushes & Trees

A friendly reminder that your bushes and trees are your responsibility to maintain, water and trim on a regular basis. Please keep in mind that trees must be trimmed high enough for the trash trucks as well as the street sweeper to drive under them. If the trash truck or street sweeper cannot drive under your tree, you may incur fees to have them come back. In addition, please trim all trees and bushes that hang over the sidewalk to ensure our neighbors can easily walk by.

Thank you for taking the time to ensure that your trees and bushes are always well maintained and trimmed properly.

Want To Know What's Up?

Each month the upcoming Board meeting agenda is posted in the Clubhouse & Prosa pool bulletin boards four days prior to the meeting for General Session and two days prior for Executive Session in accordance with Civil Code.

Got Questions Regarding Your Assessment Account?

If you have a question concerning your homeowner assessment account, contact PCM's Customer Care Center at 800-369-7260 or pro.info@associa.us. A PCM representative will be happy to assist you with your inquiry.
